## **Nancy Stephens**

Nancy grew up in Blackville, New Brunswick, and committed her life to the Lord while studying at the University of New Brunswick. In addition to earning a B.Ed. from UNB, she is also a graduate of Prairie Bible College. Prior to joining OMF, she taught English at Prairie High School in Three Hills, Alberta, for several years. She is also a member of Prairie Tabernacle Congregation, which is her sending church.

She joined OMF in 1985 and went to Asia in February 1986. Her ministry focused on church planting among the Pwo Karen tribal people of North Thailand. During her third term she was involved in Bible translation, helping to complete the New Testament for the Pwo Karen.

After returning to New Brunswick for family reasons in September 1998, Nancy served as the OMF Atlantic Regional Director for several years. In April 2004 she was appointed as Candidate Coordinator for OMF Canada, still based from her home in New Brunswick. She considers it a privilege and a joy to work with people who are responding to God's call to serve Him in East Asia.
